RE: Notice of Change in Water Right Ownership

Dear Ms. Lindstrom-Goller:

The Department of Water Resources is in receipt of your Notice of Change in Water Right Ownership for water right 65-10377. Before processing your notice, the Department will need to see a copy of the conveyance document. In this instance, it may be in the form of a Personal Representative's Deed.

In looking at the will and description of the property, it appears that water right 65-10377 does not match Parcel C or Tract H. It matches parcels that are across the road from your property. If you have other deeds which support the ownership change for water right 65-10377, please submit that documentation.

I did find that water right 65-12469 is appurtenant to Tract H. I have enclosed a copy of the water right report for your review. I can change the water right number listed on the notice to 65-12469 and process the ownership change upon receipt of a copy of the deed.

Please let me know within 30 days how you would like to proceed. If I don't hear from you within that timeframe, I will return your notice and initiate a refund of the \$25 fee submitted with your notice.

If you have any questions, please call me at 208-287-4952.

Sincerely,

Emalee Rushing
Administrative Assistant
