RE: PERMIT TO APPROPRIATE WATER 85-15342

Dear Permit Holder(s):

I am planning to conduct water right examinations in the vicinity of the above-referenced permit on June 13th, 14th, and 15th. An examination is a necessary step in the water appropriation process. During the examination, I will verify your water use pursuant to your permit (copy enclosed).

In order to conduct your exam as efficiently as possible, please call me at (208) 287-4944 to schedule a day and time that is convenient for you. Please be advised that you will need to operate your system under normal conditions during the examination.

I look forward to meeting with you and working towards finalizing permit 85-15342.

Sincerely,
