**ORDER AUTHORIZING
TEMPORARY CHANGE**

WHEREAS, a drought emergency has been declared for Blaine County to allow administrative actions to lessen the severe impacts of the drought conditions in the county; and

WHEREAS, section 42-222A, Idaho Code, provides that upon declaration of a drought emergency, the director of the Department of Water Resources ("Department") is authorized to allow temporary changes in the point of diversion, the place of use, and the purpose of use for valid existing water rights or temporary exchanges of water, as provided in section 42-240, Idaho Code, when the director determines that such changes can be accomplished in accordance with the provisions of section 42-222A, Idaho Code; and

WHEREAS, on July 31, 2012 P&C Irrigation Assn. ("applicant") submitted the attached Temporary Change Application TC-37-59 ("application") to the Department; and

WHEREAS, the Department has reviewed the application and has determined the application can be approved with certain conditions; and

WHEREAS, The applicant assumes all risk and is the responsible party if diversion and use of water under the temporary change approval causes injury to other water rights or constitutes an enlargement in use of the original right;

ORDER

IT IS HEREBY ORDERED that the application is **APPROVED** subject to the following conditions:

1. Diversion and use of a portion of right no(s). 37-02740 (0.44 cfs for irrigation of 36 acres) is authorized only at the point of diversion and place of use described on the application or as otherwise approved in this order.
2. This temporary change approval does not authorize construction of a new well as a new point of diversion.
3. This temporary change approval may only be used to provide a replacement water supply to lands or other uses that normally have a full

water supply, except for the drought condition. This temporary change approval may not be used to provide water for new development or to allow expansion of the use of water under existing water rights.

4. A portion of Right 37-02740 is limited to the irrigation of 36 acres within the SE1/4NE1/4 of Section 17, T01S, R22E for the remainder of the 2012 irrigation season. For this allowance, 36 acres within the SE1/4 of Section 17, T01N, R22E shall not be irrigated from ground water during the remainder of the 2012 irrigation season. In total right 37-02740 is limited to irrigation of no more than 330 acres at any one time and is limited to a total diversion volume of 1155 acre feet for year 2012.
5. This temporary approval does not authorize the use of diversion works or a delivery system owned by or managed by a corporation or an irrigation district without the written consent of such corporation or irrigation district.
6. The applicant agrees to hold the director and the state of Idaho harmless from all liability on account of the diversion and use of water under this temporary change approval.
7. This temporary change approval does not grant any right-of-way or easement to use the diversion works or conveyance works of another person or entity.
8. The applicant shall measure the amount of water diverted and shall report the amount of water diverted under this approval as required by the West ESPA Measurement District.
9. This temporary change is to be administered by the watermaster of Water District No. 130.
10. This temporary change approval expires on 11/01/2012 unless rescinded or extended by the director. Thereafter, the water right shall revert to the point of diversion, place of use and nature of use existing prior to the temporary change approval.

DATED this 1st day of August, 2012.
