10. Explain fully your reasons for requesting an extension of time within which to resume the use of your water right and reasons for non-use

This water right is a privately-owned right delivered by Settlers Irrigation District for use at Centennial High School. Joint School District No. 2 currently has sufficient Settlers Irrigation District water rights (both miners inches and assessed acres) to meet the irrigation needs for Centennial High School. The School District seeks to protect their private water right from forfeiture until needed on other lands within the School District.

The information contained in this application is true to the best of my knowledge.
