RE: Licensing Field Exam for Permit No. 63-32262

Dear Mr. Carrie:

In 2009 you filed with IDWR the *Statement of Completion For Submitting Beneficial Use* for the permit referenced above. The permit was issued for 24 homes in the Northstar Subdivision in Canyon County. I am contacting you to schedule a field exam for the subdivision which is required before the use is licensed, at which time it becomes a water right.

If you no longer own the property, you can assign the permit to another by submitting an Assignment of Permit form, available on the IDWR website www.idwr.idaho.gov. Please submit the assignment or contact me at 208.334.2190 to set an exam appointment by April 23, 2012.

Sincerely,

Vicky Music
Sr. Water Resource Agent
