WATER RIGHT NO. 35-13547
As Modified by Transfer No. 77988

CONDITIONS OF APPROVAL

5. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 120.
6. A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
7. Prior to the diversion and use of water under Transfer approval 77988, the right holder shall install and maintain acceptable measuring device(s) at the authorized point(s) of diversion in accordance with Department specifications, or shall obtain an approved variance from the Department to determine the amount of water diverted from power records or to maintain an existing measuring device.
8. Upon specific notification of the Department, the right holder shall install and maintain data loggers to record water usage information at the authorized point(s) of diversion in accordance with Department specifications.
9. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 4.0 afa per acre at the field headgate for irrigation of the lands above.
10. Right No. 35-13549 is an enlargement of this right pursuant to Section 42-1426, Idaho Code.
11. This right does not grant any right-of-way or easement across the land of another.
12. The right holder shall accomplish the change authorized by this transfer within one year(s) of the date of this approval.
13. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
14. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
