RE: Notice of Change in Water Right Ownership No(s). 73-86C, 73-86D, 73-87, 73-96A, 73-96B, 73-97A, 73-10058, 73-4007B, 73-12111, 73-12112, 73-12113

Dear Interested Party(s):

The Department of Water Resources discovered an unprocessed ownership change request we received from you on June 22, 2012. After reviewing the request and all information associated with the request, it was determined additional information is needed to complete this request. A warranty deed with legal description is required to process this request. The supplemental order you sent with the ownership change does not meet these requirements as the water rights are in the name of Jimmie L and Maria Elena Downton not any of the companies listed in paragraph 1 of the supplemental order.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley".
