RE: Scheduling Field Exam for Water Right Permit No. 63-11940

Dear Mr. and Mrs. Blattner:

We are planning to conduct water right examinations in the vicinity of the above-referenced permit during the week of May 14, 2012. An examination is needed to verify the water use in order to issue a water right license.

The above-referenced permit authorizes supplemental use of ground water for irrigation of 114 acres. I have enclosed a water permit report and map depicting the permit place of use and point of diversion for your reference.

Ada County tax lot information indicates you may no longer own the place of use property associated with this permit. A water right permit is personal property of the permit owner. It remains personal property unless it is assigned to a new owner. **If you no longer own the place of use property, I respectfully request you complete and submit the enclosed Assignment of Permit form with the applicable \$25 processing fee within the next 10 days.** If an assignment is not received, we will work with the new land owner(s) to complete licensing process. **Please call me at 208-334-2190 by May 11, 2012 if you have any questions.** I appreciate your attention in this matter and I look forward to hearing from you.

Sincerely,

Angela M. Grimm, P.G.
Water Resource Agent, Sr.
