RE: PERMIT TO APPROPRIATE WATER 57-11711

COPY

Dear Mr. or Mrs. Steiner:

We are currently working on your application for water right 57-11711, located southwest of Oreana. We are conducting field examinations in that vicinity and need to contact you regarding your application. An examination is needed to verify your water use in order to issue a water right license.

In order to conduct your exam as efficiently as possible, we ask that you call this office to schedule a day and time convenient for you. Please be advised that you will need to operate your system under normal conditions during the examination.

We have attempted to contact you via telephone but have been unsuccessful. This letter will be faxed to 208-834-2595 and a hard copy mailed via US Postal Service this week. Please contact me at 208-287-4856 by May 25, 2012 to make arrangements for our visit. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dan Nelson', with a long horizontal flourish extending to the right.
