RE: Name Change on Water Right/Permit No.(s): 85-15725 & 85-15729

Dear Water Right Holder:

The Department of Water Resources acknowledges receipt of correspondence changing your last name of the above referenced water right/permit(s) to you. The Department has modified its records to reflect the name change and has enclosed a computer-generated report for your files.

A fee is not required to change the name on a water right/permit due to marriage. Therefore, I will initiate the process to refund the fee you submitted. You should receive a State of Idaho check for \$50.00 within ten (10) business days under separate cover for the fee you paid.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you for your patience and cooperation. If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
