Subject: Need Field Exam for 55-7461

Hey Steve,

Shelley just gave me file 55-7461 with a sticky saying to make sure that the exam is done this year.

We received a request to remove the trust water conditions from the permit. Shelley informed the permit holder that in order to evaluation that request, a field examination needs to be conducted during the 2012 irrigation season to confirm beneficial use.

Permit 55-7461 was not on the list of permits you sent over for the S.O. to conduct the field exam. Would you like to conduct the exam out of Western or would you like us to take care of it from the S.O. ?

Thanks,
Craig
