Dear Mr. Pancheri:

On May 31, the Department received a protest to the transfer application submitted by Pancheri Inc. Two issues were identified in their correspondence:

1. A place of use in T08N, R27E, Sec. 21 in the NW and SW quarter.
 - a. The Department is unsure of where the BLM received this information from; neither the application nor the advertisement in the Arco Advertiser indicates this area as a place of use. This appears to be an error on the BLM's end.
2. The place of use in T09N, R27E Sec 34 in the NESW quarter (5 acres) and the SWSE quarter (2 acres).
 - a. This issue is not as easily resolved. I have enclosed a map depicting this area; it appears that just shutting off an end gun will not resolve the issue. It appears that due to the configuration of the circle, a different approach will be necessary.

I tried to reach you at your home number without success; I did not keep your cell number so I have not been able to reach you that way. If you would take a moment and look over the enclosed map, and let me know how you would like to proceed I would appreciate it.

If you have any questions, please let me know.

Thank you,
