The "Notice of Change in Water Right Ownership" for 75-10023 & 75-14159 has been returned for the following item(s):

**** **Evidence of Water Right Ownership**: In order for the department to complete your change of ownership a full chain of title is required. With your application the department did receive a copy of the deed from Virginia Meeks to James Strong and Marion Nicoll, and a deed from James Strong to Marion Nicoll. However the current owner of the water right according to the department's records is Daryl and Virginia Becker. The department will require copies of all the deeds showing a full chain of title from Daryl and Virginia Becker to Marion Nicoll.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days of the change. Failure to do so could result in a $100 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.
