RE: Scheduling Field Exam for Water Right Permit No. 63-12421

Dear Mr. Johnston:

We are planning to **conduct water right examinations** in the vicinity of the above-referenced permit **during the week of May 14, 2012**. An examination is needed to verify your water use in order to issue a water right license.

Please be advised that you will need to operate your system under normal conditions during the examination. The permit authorizes use of ground water for irrigation of up to 18 acres, domestic use associated with 1 home, and stockwater for up to 50 head cattle/horses.

In order to conduct your exam as efficiently as possible, we ask that you call this office to schedule a day and time convenient for you. **Please call me at 208-334-2190 by May 11, 2012.** If there is a problem with scheduling or conducting the examination at this time, please call and other arrangements can be made. I appreciate your attention in this matter and I look forward to hearing from you.

Sincerely,

Angela M. Grimm, P.G.
Water Resource Agent, Sr.
