RE: Notice of Ownership Change for Water Right No. 67-7108, 67-8020.

Dear Applicants:

The Department of Water Resources acknowledges receipt of your request for an ownership change on the water rights mentioned above.

However, this application has not been processed. In order to complete this process The Department will need an Assignment of Permit filled out for 67-8020, and a Notice of Change in Water Right Ownership form filled out for 67-7108. For your convenience I have enclosed both forms.

Because the Department has not received the required information I have requested a refund that will be sent to the payer under separate cover. You may submit these forms with the correct filing fees at any time.

Thank you for your cooperation in this matter. If you have any further questions, please call this office at (208)334-2190.

Sincerely,

A handwritten signature in cursive script that reads "Rachel Sommer". The signature is written in dark ink and is positioned below the word "Sincerely,".
