RE: Notice of Ownership Change for Water Right No. 51-13064

Dear Applicants:

The Department of Water Resources acknowledges receipt of your request for an ownership change on the water right mentioned above. However, after reviewing the request, it was determined additional information is needed to complete this request.

The additional information needed is a warranty deed or other conveyance documents that include the correct legal description of the property. The deed you provided does not have a legal description of 16S 06E SEC 6 NENW, or 16S 06E SEC 5 NWSW; which is the location for the above referenced water right no.

Because the Department cannot process the ownership change without proper documentation, we are returning the paperwork and will request a refund.

If you have any questions, please call this office at 208-334-2190.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rachel Sommer', is written over a horizontal line.
