Re: Phone conversation, July 19, 2012

Dear Mr. Hoffman,

I looked into the water rights you inquired about. A Letter of Solicitation was sent out by me by the request of the Water Masters Office of Basin 37. Water district 37 is forming in your area and the Secretary wished to get the correct current owners listed on the water rights. The current owner on water right 37-7086 is listed as Velma Sjurson. I have included an ownership change form with this letter to update the right's ownership. The instructions are included. Be sure to include the items highlighted on the form.

I looked further by the information you provided me and located two disallowed water rights. I have included copies of these rights also attached to maps of their locations.

I hope this letter answers your questions but please feel free to contact me or the Department for further question regarding this matter.

Sincerely,

Carrie Hahn
Clerk
