Subject: Temporary Transfer of Water Right Point of Use

Dear Ms. Jones or Reeder: (I was told your last name is Jones but given your email address am unsure if that is correct, I apologize for my confusion)

As discussed with you on the telephone today this is to authorize temporary transfer of the right to use Water Rights numbered 37-735, 37-749C and 37-2443 to Aaron Andrews, to a point of use which allows irrigation of his property located near Carey, Idaho as needed through September 2012.

If you have any questions or need additional information please contact me via email at: maurice.ellsworth@gmail.com, or by phone at 208-284-2900.

Thank you,

Maurice Ellsworth
