RE: WATER RIGHT PERMIT 63-11655 SUBJECT TO LICENSING

Dear Sir

The clip to the right shows an aerial view of the permitted Place of Use (POU). The permit is currently in the name of Loyd and Geraldine Coleman. I have pulled the permit for review and have found that the tax lot information identifies the permitted place of use owner as the David and Barbara Doan Trust. I am now attempting to establish the current ownership and ultimately to what extent the permit should be licensed.

Once the current owner has been established the next step in the process toward licensing the permit is for the department to verify that the elements of that permit have been met.

You can reach me at the number listed above and we can discuss the permit and the licensing process in greater detail.

Sincerely

Kelly K Christensen
Sr Water Resource Agent
Western Region
