RE: WATER RIGHT PERMIT 63-11655 SUBJECT TO LICENSING

Dear David

Attached is the Assignment of Permit form that we discussed today. Unfortunately this was one of the instruments that the legislature included in the fee program. The fee for an assignment is \$25.00. Please include that amount when you return the assignment. You can make the check out to IDWR rather than spelling out the entire name.

I have also attached a proof report of the permit as currently recorded for your benefit.

After resolving the ownership issue, the next step in the process toward licensing the permit is for the department to verify to what extent the elements of that permit have been met.

Again, you can reach me at 208-334-2190 (ask for Kelly) and we can discuss the permit and the licensing process in greater detail.

You may also reach me by e-mail at the address shown below.

Sincerely

Kelly K Christensen
