

MEMORANDUM

Date: July 18, 2012

From: Jean Hersley 

RE: Renumbering of water right

This water right was renumbered from 85-15737 to 86-12008 at the time of licensing. It was permitted in the wrong Basin.

The application through field report is scanned to both numbers. The license is scanned only to 86-12008.
