Re Permit No. 63-12489

Dear Mr. Nourse:

Thank you for the information you provided yesterday during the field exam and for the thoroughly enjoyable concert! This letter is regarding changing the ownership of this permit so that the resultant water right is in the name of Zidec LLC. There are a couple of ways to ensure the name is changed but the easiest is to fill out the attached Assignment of Permit form. There is a fee of \$25 for this assignment.

The ownership can also be changed after the license is issued. The fee is still \$25 but the form is longer and requires more information than this form.

Please remit the fee and form by May 11, 2012 to my attention. Thank you.

Sincerely,

Vicky Music
Sr. Water Resource Agent

Enclosure: Assignment of Permit form
