CONDITIONS OF WATER USE

- The use of water under this agreement shall be subject to the provisions of Section 42-1766, Idaho Code.
- Rental of the specified right from the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. It does not preclude the opportunity for review of the validity of this water right in any other department application process.
- Prior to the diversion and use of water under this agreement, the right holder shall install and maintain acceptable measuring device(s), including data logger(s), at the authorized point(s) of diversion and in accordance with Department specifications, or shall obtain an approved variance from the Department to determine the amount of water diverted from power records or to maintain an existing measuring device.
- A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
- Use of water under this agreement will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 130.
- The period of use for the irrigation described in this approval may be extended to a beginning date of 3/15 and an ending date of 11/15 provided that beneficial use of the water can be shown and other elements of the right are not exceeded. The use of water before 4/01 and after 11/01 is subordinate to all water rights having no subordinated early or late irrigation use and a priority date earlier than December 11, 2002.
- Use of water under this agreement when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 4.0 afa per acre at the field headgate for irrigation of the lands above.

**WATER RIGHT NO. 37-22167
WATER SUPPLY BANK RENTAL AGREEMENT**

CONDITIONS OF WATER USE

8. Use of water under this agreement does not constitute a dedication of the water to renter's place of use and upon expiration of this agreement, the points of diversion and place of use of the water shall revert to those authorized under the water right and/or again be available to rent from the bank.
9. This rental does not grant any right-of-way or easement to use the diversion works or conveyance works of another party.
10. This rental agreement does not authorize the construction of a well.
11. Use of water under this agreement shall not prejudice any action of the Department in its consideration of a permanent application for transfer or permit filed by the applicant for this same use.
12. Renter agrees to comply with all applicable state and federal laws while using water under this agreement.
13. Renter agrees to hold the Board, the Director and the state of Idaho harmless from all liability on account of negligent acts of the renter while using water.
14. Renter acknowledges and agrees that the Director may terminate diversion of water if the Director determines there is not a sufficient water supply for the priority of the right or portion thereof being rented.
15. Failure of the renter to comply with the conditions of this agreement is cause for the Director to rescind approval of the rental agreement.
