Re: Rental water for Lance Funk

Dear Mr. Van Dyke:

The signed originals for the Northern Agriculture lease application for 35-7788B, 35-14058 and 35-14056 are being submitted to the Idaho Water Supply Bank. A copy of these lease applications was previously submitted electronically to the Idaho Water Supply Bank.

The lease applications for 35-7621 and 35-7618 are being submitted at this time. It is intended to lease these water rights to the Idaho Water Supply Bank for one year and rent them back out to the North Pleasant Valley Road farm in the name of Lance Funk for the duration of the lease period. The water rights 35-7621 and 35-7618 have historically been used as primary water rights.

Please copy our office on all correspondence regarding these applications.

Sincerely,

Greg Sullivan, M.S., E.I.T.
