Application seeks to appropri-
ate 1.7 acre-feet of water for
wildlife storage in an existing
pond located on Warm Spring
Creek approximately 6.4 miles
south and 6.0 miles east of the
Highway 75 & Highway 93 inter-
section south of Challis. This
application proposes the diver-
sion and use of water tributary to
a federally designated Wild &
Scenic River (Salmon River). The
decreed minimum stream flow
rights for the federal Wild &
Scenic Rivers are subordinate to
certain categories of water use
and to specific amounts of water
use established after the mini-
mum stream flow. The water use
proposed in this application will
benefit from the subordination
provision because it is for storage
purposes.

Application seeks to appropriate 0.10 cfs of water from Warm Spring Creek for diversion to storage for two small wildlife ponds totaling 0.1 acre-feet. The application also proposes to allow for the diversion of 0.02 cfs of water from Warm Spring Creek for commercial use associated with filling tanker trucks to cool live fish shipments. The property involved with the application is located approximately 6.0 - 6.4 miles south and 5.5 - 6.0 miles east of the Highway 75 & Highway 93 intersection south of Challis. This application proposes the diversion and use of water tributary to a federally designated Wild & Scenic River (Salmon River). The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. A portion of the water use proposed in this application will benefit from the subordination provision because it is for storage purposes and 0.02 cfs (commercial use) will be applied to the subordination amounts specified in the decree for the Salmon River Wild & Scenic River.

Permits will be subject to all prior water rights. For additional information concerning the property location, contact Southern Region office at (208) 736-3033; or for a full description of the right(s), please see www.idwr.idaho.gov/apps/ExtSearch/WRFiling.asp. Protests may be submitted based on the criteria of Idaho Code § 42-203A. Any protest against the approval of this application must be filed with the Director, Dept. of Water Resources, Southern Region, 1341 Fillmore St. Suite 200, Twin Falls, ID 83301 together with a protest fee of \$25.00 for each application on or before June 25, 2012. The protestant must also send a copy of the protest to the applicant.
