Mr. Bunce,

I am forwarding the email (below) I received this morning from Mr. Smith, the attorney for JR Allen Ranch LLP. The email indicates that Allen is withdrawing the protest against Transfer No. 77209, which proposes to change the point of diversion for water rights held West Mountain Water Assn., Inc. When I receive the formal notice withdrawing the protest, I will prepare and mail an order cancelling next week's hearing.

IDWR will continue its review of the transfer application and will notify you with a decision as soon as the review is complete.

Sincerely,

Shelley Keen

Shelley—This confirms that my client JR Allen Ranch LLP is withdrawing its protest of the transfer by West Mountain. I am sending a confirming letter to IDWR and West Mountain but didn't quite get the correspondence done today. Regards, Bruce
