RE: Release of Notice of Security Interest for Water Right Nos. 25-13297 and Application for Permit 25-14020 (No Proof Report Attached)

Dear Water Right Holder:

The department acknowledges receipt of correspondence releasing your security interest in the above referenced water rights. The department has modified its records to reflect the release of the security interest. Water Right 25-13298 was disallowed in the SRBA and no Security Interest was accepted on this right.

Update the release of a security interest record for a water right does not reconfirm the validity of the right. When processing a release of security interest notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink that reads "Danni M. Smith". The signature is fluid and cursive, with the first name "Danni" being more prominent.
