Re: Water rights 61-7189, 61-2248B, 61-7724

Dear Rachel,

Our firm has been assisting Idahoan Foods, LLC ("Idahoan") with their water right needs for their potato processing plants and accompanying farm ground. Idahoan owners do business under a different entity name for this location. We recently submitted a Notice of Change in Water Right Ownership form for Idahoan for their facility in Glenns Ferry. After providing the set of conveyance deeds to IDWR, we realized that the facility is not in the name of Idahoan Foods, LLC as we originally believed. Upon receipt of your recent letter dated May 23, 2012, we realized that we failed to update the ownership form to represent the correct entity. Please find enclosed a new form with the correct entity name of Idaho Fresh Pak LLC. The deeds previously provided to you should show conveyance to this entity.

Please contact me with any questions you may have.

Respectfully,

Kristin Moore
Water Rights Analyst
