

CONVERSATION MEMORANDUM

TO: Water Right Permit File No. 85-15687

FROM: Darla Block

DATE: July 2, 2012

SUBJECT: Call Regarding Current Address of Permit Holder

On June 1, 2012, the Department received a Statement of Completion for submitting proof of beneficial use for the above mentioned water right permit. The proof statement came in with a name for the permit holder as Idaho Department of Fish & Game with an address of 3316 16th Street Lewiston ID 83501.

On June 29th I called and left a message regarding the change in address. I wanted to know if the Idaho Fish & Game Commission intended to change the address of record they have with the Department for this permit to the address listed on the proof statement submitted.

On July 2, 2012, I received a telephone message from Ray Henneke explaining that the 3316 16th street address is the address of the regional office, and that this permit should remain in the same address as at has been for Boise Idaho.

*Address not changed to address
listed on proof stmt, per phone call.
