RE: Water Right No(s). 61-7348

Dear Applicant:

Thank you for submitting the Notice of Change of Water Right Ownership. Our review of your notice indicates that additional documentation is required before we can process the change.

The documentation required is a copy of the conveyance document- warranty deed, quitclaim deed, etc. We did receive a warranty deed; however the copy of the deed you provided has not been recorded and cannot be processed until a copy of the recorded deed has been submitted.

Because the Department cannot process this request without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary documentation within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact me if you have any questions regarding this matter.

Sincerely,
