RE: Change of Ownership for Water Rights 11-327C, 328C, 329C, 330C, 331C, 338C,
339C, 347C, 350C, 351C, 352C, 358C, 359C

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the changes in ownership and has enclosed computer-generated reports for your records. Also enclosed is a receipt for the \$325.00 filing fee.

During our review of your ownership change request we found that water right 11-352A is the only right covering the NESE portion of the land included on your map. It was not included in this ownership change, however a new ownership change form is included in the event that you want to change the ownership for this water right to your name.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

for 
Jeff Peppersack, Manager
Water Right Permits Section
