RE: Notice of Ownership Change in Water Right No. 61-7724

Dear Interested Party(s):

Thank you for submitting your request for a Change of Ownership for the above mentioned water right. However, the water right is still in the permit stage and will require an Assignment of Permit. The form needs to be completed, signed by the current owner of the permit, and notarized before we can complete your request. I have enclosed the form required which is also available on our web site, www.idwr.idaho.gov. The fee you submitted with the ownership change request will be transferred over to the Assignment of Permit.

Please return the required form, ATTN: Rachel Sommer, to IDWR Western Region addressed below. If you have any questions, please call this office at 208-334-2190.

Sincerely,

Rachel Sommer
