Mr. and Mrs. Stepro:

The Department of Water Resources is reviewing your water permit for licensing. The permit states domestic use is for 1 home but the proof of beneficial use you submitted states it is for 2 homes. Is the use on this permit for lawn and garden for 2 homes or is it used internally also? If it is used internally, do you have some sort of filtering system in place?

Please let me know as soon as possible so the Department can license this permit. If you have any questions, please contact me at 208-287-4942.

Thank you.
