Re: Green Future, LLC

Ladies and Gentlemen:

I have enclosed for your disposition the following documents:

- 1) Completed and executed Notice of Change in Water Right Ownership;
- 2) Check for your Fee of \$75.00;
- 3) Copy of Deed from Bennett Forest Products to the applicant, Green Future, LLC.
PLEASE NOTE that the prior owner of the water right, Bennett Forest Industries, Inc. was formerly known as Shearer Lumber Products, Inc. A copy of the name change filed with the Idaho Secretary of State in October 2002 is also enclosed.
- 4) Copies of adjudicated water right and/or water right license;
- 5) Copies of the SRBA declarations;
- 6) A map showing the place of use and historical diversion points. There is no change in either aspect of these water rights.

Please let me know if any other information is needed to complete the formal transfer of the water right into the name of the applicant Green Future, LLC, an Idaho limited liability company. Thank you for your attention to this matter. Please contact me should you have any questions.

Sincerely yours,
