

CONVERSATION MEMORANDUM

TO: Water Right File No. 95-9342

FROM: Darla Block

DATE: June 25, 2012

SUBJECT: Telephone Conversation Re: Plans for filing Partial Proof

I received a call this morning from Velma Gray. Velma called to let me know that she plans to file a proof statement for the domestic portion of this permit in the amount of 0.04 cfs for 1 household.

She also stated to me that she plans to file a new application for permit to appropriate water for the commercial use listed under this permit which has not been completed. Her last extension request filed with the Department was denied per order dated June 18, 2012.

This permit has lapsed, and will need to be reinstated upon acceptability of partial proof.
