RE: Change of Ownership for Water Right 65-22706

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you and removing Northwest Farm Credit Services as part owner. They are now listed in the records as having a security interest in the right; a computer-generated report with the current information has been included for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Sharla Curtis". The signature is written in dark ink and is positioned above the printed name and title.
