RE: Waste Water Claim

Dear Mr. Yavruian

In reference to our conversation about your desire to have a waste water claim for the water that runs through your property at 4076 Meadow Ridge Circle. The Twin Falls Canal Company has the senior claim on all waste water in the area as it all emanates from actual water rights and the TFCC diversion at Milner. Any claim that you would be able to acquire through the Idaho Department of Water Resources would be junior to the existing TFCC claim. TFCC has no objections to your filing for a junior waste water claim.

If you have any questions or need any additional information, please call me at 733-6731

Sincerely,

Jay Barlogi,
Twin Falls Canal Company
