I am filing an amended permit to transfer the Commercial use of water on Permit #63-33358 on Sec 02N 02W 19 to another location on Sec 02N 02W 16. If possible I really need to get the transfer done quickly as the water will be used in the harvest of an agricultural crop, Mint. Harvest will begin around the Aug. 1 and I need to have the well and pump in place by then.

Thank you,

Brad Pintler
