

CONVERSATION MEMORANDUM

TO: Water Right File No. 78-12293

FROM: Darla Block

SUBJECT: Telephone Conversation with Permit Holder Re:
Relinquishment of Permit Form & Now Lapsing of Permit

On May 31, 2012, the department sent out a proof due notice certified to Ralph E Sheets Jr., permit holder of record with the department. On June 05, 2012, the department received the notice via returned mail by the US Postal Service marked as "No Such Number /Unable to Forward". I was able to locate an address for Mr. Sheets of PO Box 202 Pollock ID 83657. I called the phone number of record for Mr. Sheets, and left a message regarding our attempt to mail correspondence to him. I wanted to verify the new address with him.

On June 8, 2012, I received a telephone call from Ralph Sheets (Permit Holder). Mr. Sheets informed me that his new address is PO BOX 202 Pollock, ID 83547. I explained what the correspondence was about, and he told me he found no spring where he thought there was one, because it must have dried up. I informed him that he could let this permit lapse, but it would be better for our records if he were to file a Relinquishment of Permit form.

Mr. Sheets informed me that he is a truck driver currently on the road and on the road for long periods at a time. In order for him to fill out and sign a Relinquishment of Permit form he would call me on June 11, 2012, with the fax number of the hotel at which he will be staying.

This morning Mr. Sheets called and gave me the fax number of the hotel. As soon as our phone conversation ended, I faxed Mr. Sheets a relinquishment form to be completed. Shortly after that I received his relinquishment form only to discover that he failed to write the water right permit number on the form. I called Mr. Sheets and explained that the water right permit number was missing from the form he filed. I suggested that I fax him a new form for him to complete and resubmit. He wanted me to write the water permit number on the form he originally faxed in. I explained that I am not allowed to fill in any part of a permit holders filing because it could then come into question later. He was quite upset because it cost him \$4.00 to fax the form to us in the first place. **He said that he was done with all this hoopla, and to just let this permit lapse.**
