The "Notice of Change in Water Right Ownership" for 22-7721 has been returned for the following item(s):

**** Assignment of Permit: On March 6, 2012 the department called an requested that you submit an Assignment of Permit in order for the department to complete your change of ownership request. Because the water right is in the permit stage and is considered personal property the department cannot accept a change of ownership unless the warranty deed specifically lists the sale of the permit number. Receipt number E037378 for \$25.00 will be applied to the Assignment of Permit unless you request the department to issue a refund. If a refund is issued a \$25.00 filing fee is required for the Assignment of Permit Application.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days of the change. Failure to do so could result in a \$100 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions please contact Jonie Barg or myself at (208)525-7161.
