RE: Change in Ownership Water Right No. 31-160B, 31-161B, 31-2299, 31-2415, 31-4011C, 31-7131
& 31-7320

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** On April 18, 2012 you met with James Cefalo to complete a Notice of Change in Water Right Ownership, during the meeting it was determined additional information was needed in order to complete the change of ownership without splitting the water right. The department is holding completion of your application until a copy of a deed excluding the water right from a portion of ground associated with the water right place of use sold to Wayne Sauer.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
