RE: PERMIT SUBJECT TO LICENSING 63-11726

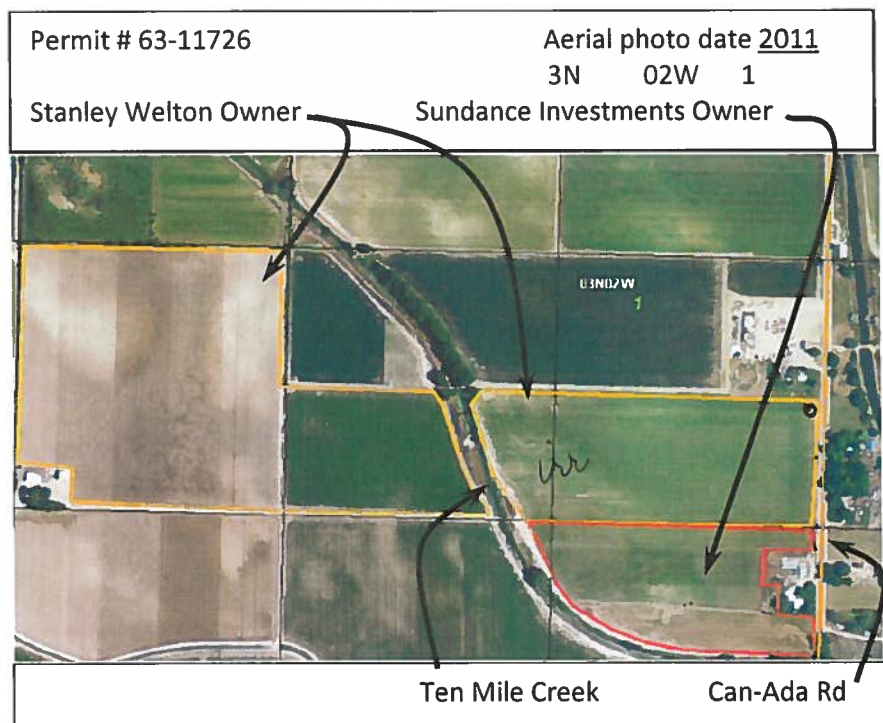

Dear Stanley

I have pulled the file for the permit to review and process with the expectation of move the permit to a license. First, I obtained the mailing address from tax lot information which is different than the address on the permit. If this is the correct mailing address please confirm.

In reviewing the tax lot information it appears that a portion of the property is owned by Sundance Investments although it appears that the ground is still being irrigated in conjunction with the rest of the property.

Could you please provide me with information regarding the ownership and the relationship that this permit has for each parcel.

Ultimately I will want to do field verification of the property to confirm what I observed through aerial photography. I will also need to GPS the well location.

You can reach me at 208-334-2190 (ask for Kelly) and we can discuss the permit and the licensing process in greater detail. You may also reach me by e-mail at the address shown below.

Sincerely

Kelly K Christensen
