RE: Application for Amendment of a Permit – 63-31877

Dear Permit Holder:

Permit no. 63-31877 was recently examined by the department. The permit will advance to a water right license by this process. The licensing process confirmed an amendment is not necessary. The amendment application is therefore returned to you. A full refund of the application fee (see enclosed receipt) will follow under separate cover.

If you have any questions regarding this letter, feel free to contact Steve Lester at this office at (208) 334-2190.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mandi Pearson', is written over a light blue horizontal line.
