Subject: Water Right Application for Permit No. 72-7579 & 72-7580

Dear Denise:

It was a pleasure speaking with you today.

The Idaho Department of Fish and Game (IDFG) has reviewed 2 water right applications submitted by Lois Von Morganroth (72-7579 & 72-7580). IDFG has no comments concerning these proposed water appropriations from Warm Spring Creek.

As we discussed, please add the Upper Snake Region to the mailing list for any future mailings (i.e. request for comments) you send to the Salmon Regional Office.

We greatly appreciate your assistance on this matter. Please feel free to contact me if you have any questions.

Sincerely,

Tom P. Bassista
Environmental Staff Biologist
