Dear Water User:

Our records indicate you are the current owner for the water right records I have enclosed. Your address will be updated to reflect the post office forwarding address shown on the envelope.

Please note that Idaho Code 42-248 requires the **new** water right owners to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. **Failure to report these changes could result in a \$100.00 late filing fee.** If you are still the current owner, no action is necessary. If you are not the current owner, you will continue to receive any applicable correspondence related to these water rights until the new owners submit the appropriate documents and it is processed.

Sincerely,

Christine Roberts
