Re: Notice of Withdrawal of Protest for Water Right Application 94-7423 in the name of
Connie Dougle.

Dear David:

I apologize for not getting back to you until now. Other pressing issues have taken up most of my time.

The Northern Regional Office, after lengthy deliberations, feels language in the "Notice of Withdrawal" is still misleading. I fully understand your intent but we feel it would be better if the following language was used;

"NOTICE is hereby given that the Idaho Water Resources Board agrees to withdraw its protest in the above-captioned matter as long as the following remark appears as a condition in Water Right 94-7423, whether it is a permit, license or decree.

Thank you for your consideration and if you have any questions, don't hesitate to contact me at this office.

Sincerely,

Keith E Franklin
Senior Water Resources Agent
