RE: Change of Ownership for Water Right No(s). 34-89A, 34-2484 & 34-7205

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right(s) to you. The department previously modified its records to reflect the change in ownership.

The department has completed a second review of the ownership change and has come to the conclusion that there was an error in the completion of the application. On the Warranty Deed Instrument number 49300 from Larry and Sherry Rasmussen to Lost River Farms the grantor specifically reserved 2 acres of the water right. The water rights listed on the deed were incorrect numbers so a Quit Claim Deed was filed as instrument number 49352 this deed says "to correct the Water Right Nos. on Warranty Deed recorded February 7, 2012 Instrument No 49300, records of Butte County, Idaho." Copies of both deeds are enclosed. The department acknowledges that 2 acres of the water rights were retained with these two instruments. It appears a split of all of the water rights is required.

Please provide the department with the additional filing fee of \$225.00 (3 water rights x \$100.00 per water right = \$300.00, \$75.00 paid with receipt number C094734) in order for the department to split the water rights above. Please note the department has modified its records to list Larry and Sherry Rasmussen as current owners of the water rights above and the database will remain that way until the additional fees are received.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
