

MEMORANDUM

To: Dave Carlson @ IDWR
From: Paul Scoresby
Date: May 30, 2012
Subject: Addendum to Beneficial Use Field Report (BUFR) for Jeff Aleixo
Exam Date: June 15, 2011
Preparation Date of BUFR: May 11, 2012
Project: BUFR for water permit numbers 23-11387 & 23-11418

The required ¼ inch mesh screen was placed at the location shown on the diversion profile drawing attached to the BUFR.

The diversion profile drawing attached to the BUFR indicates a rubber (flexible) diversion pipe. The pipe was actually a corrugated HDPE pipe, which is indeed classified as a flexible pipe.

The diversion box is lockable as indicated on the diversion profile drawing attached to the BUFR.
