Dear Mr. Mills,

Let this letter serve as a request for a waiver for the installation of a flow measurement device and lockable device. The reasons for the waiver are as follows:

- The water is on-stream storage
- The water sinks and never actually reaches Cassia Creek and therefore is not actively regulated by the watermaster of Water District 43C

If you need any further information, please contact me at any time.

Thank you,

Michael Merriman
