RE: Applications for Permits No.: 72-7577, 72-7578, 72-7579 & 72-7580
Application for Transfer No. 67067 (Formerly 5647)

Dear Ms. Morganroth:

Our office has received the assignments of the above referenced applications from Mark & JoAnne Luper dba Epicenter Aquaculture Inc., assigning the ownership of the applications to Lois Von Morganroth. Our office has changed the ownership record for these applications accordingly.

As you may know Applications for Permits No. 72-7577 and 72-7578 as well as the Application for Transfer No. 67067 were initially processed in 1999. These applications were protested by Alfred & Lois Morganroth dba L&M Angus Ranch. The current status of these applications is that they are being held by the Director of IDWR pending a Final Order. Applications for Permits No. 72-7579 and 72-7580 are being held in this office and have not yet been advertised. They were being held pending the outcome of legal issues associated with the other three applications.

The purpose of this letter is to inquire of your desire now that you own these applications. Do you want to withdraw all applications? Do you want to withdraw your protests of the three referenced above and seek approval of all applications? ***Please provide the details of how you wish to proceed in writing to our office by May 15, 2012.***

If you have any questions please feel free to contact me at this office or Jeff Peppersack at (208) 287-4948 in our State Office.

Respectfully,

Allen Merritt, PE
Southern Region Manager
